(2) As part of the modernisation of the Mints and with a view to increasing production capacity of the Mints, 22 new Coining Presses have been installed, partly as replacement and partly as additions. Orders for 14 more coining presses are being placed on H.M.T.

(3) In order to supplement the supply from the three Mints, coins in the denominations of Re. 1/-, 50P and 25P are being imported; between September, 1985 and 22-2-1986, 1137.02 million pieces of coins have been received from abroad and they are being distributed.

(4) A new Mint is being established at Noida, U.P. with a capacity for an annual production of 2000 million pieces of coins. This is expected to go into production in 1988-89.

(5) The nationalised banks have been advised to collect coins from RBI's Offices or from branches of State Bank of India having Currency Chests/Small Coin Depots and arrange for their distribution through their branches, if necessary, by opening special counters.

(6) All public sector banks have been advised to identify centres for establishment of Small Coin Depots Currency Chests where such Depots/Chests do not exist or where they exist, but are not adequate and approach RBI with their proposals.

(7) RBI have identified areas where coin shortage is felt and steps have been taken to supply coins to such areas.

(8) Arrangements have been made to disburse part of the salary, say Rs. 20 per month, in coins to each of the employees of the Central Government and public sector undertakings. State Governments and Union Territories have also been advised to disburse every month part of the salary to their staff in coins.

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI JANARDHAN POOJARI): (a) and (b) Non-resident Circles at Delhi, Calcutta, Madras, Cochin and Ahmedabad have recently been created with effect from 15-1-1986 in addition to the already existing Non-resident Refund Circles at Bombay.

Kapoor Committee recommendations on export of engineering and capital goods

914. SHRI PARVATHANENI UPENDRA: Will the Minister of COMMERCE be pleased to state:

(a) what are the main recommendations of the D. V. Kapoor Committee on export of engineering and capital goods;

(b) whether Government held any consultations with the engineering goods exporters on the basis of the recommendations; and

(c) if so, what steps Government propose to take on these recommendations and what are the detailed guidelines for increasing the export of engineering goods?

THE MINISTER OF COMMERCE AND FOOD AND CIVIL SUPPLIES (SHRI P. SHIV SHANKER): (a) The D.V. Kapoor Committee has assessed that given our natural resources and skilled manpower a good base exists for achieving substantial increase in the area of engineering exports. For this the Committee recommended a two pronged strategy, namely:
